Mid-Term Conference of the Research Network of Sociology of Health & Illness ESA

HEALTH AND HEALTHCARE IN EUROPE: BETWEEN INEQUALITIES AND NEW OPPORTUNITIES

CONFERENCE PROGRAMME

Tuesday

17:00-18:30 Preconference Meeting

Wednesday

10:00-10:30 Opening Ceremony

10:30-12:00 Plenary lectures:

ZOFIA SŁOŃSKA Health care, public health and social determinants of health. Sociological interpretation of possible links and their consequences for health.

PIET BRACKE Expanding the institutional perspective on population health

13:00-14:00 Kraków e-tour

15:00-16:30 First things first (special session)

MARC HOEGLINGER, MARIA CARLANDER, OLIVER HÄMMIG, SARAH HEINIGER, MILO PUHAN, SIMON WIESER, VIKTOR VON WYL, ANDRE MOSER: The COVID-19 Social Monitor – Monitoring the Social and Public Health Impact of the Pandemic

LIA LOMBARDI The impact of the COVID-19 pandemic on social vulnerabilities. A research in Lombardy

CRISTINA PIEDADE: The scarcity of resources during SARS-CoV-2 1st wave and the postpone of ellective surgery during the lock down: the general surgeons troubled decision making

16:30 Poster session

TOMASZ MASŁYK, EWA MIGACZEWSKA Disabled People in European Countries and their Experiences of Discrimination ADAM OSTOLSKI Doctors as "poverty managers" in the Poland's health care system

17:30-18:00 RN16 Business Meeting

Thursday

9:30-11:30 Session 3

Making sense of gender and age in the lived experience of chronic illness

NICOLETTA DIASIO The body troubled: how chronic illness questions the age and gender categorizations VALERIA QUAGLIA "You eat like a girl!": men, masculinities and chronic illness ALEXANDRE COTOVIO MARTINS

9:30-11:30 Session 5

Disability in the medical and social perspective

DOROTA ŻUCHOWSKA-SKIBA, BARBARA GĄCIARZ Social vs Medical? - Disability Models in Polish Public Discourse VALERIA QUAGLIA, MARA TOGNETTI, MARCO

VALERIA QUAGLIA, MARA TOGNETTI, MARCO TERRANEO: Evaluation of the personal health budget programme: experiences and outcomes at two years

9:30-11:30 Joint session 1+13

Let's talk about vax

SIMONA-NICOLETA VULPE Understanding Vaccine
Hesitancy as a Set of Extended Attitudes
YAEL KESHET, ARIELA POPPER-GIVEON
Vaccination public discourse and religious authority:
The case of non-vaccinating ultra-orthodox Jewish
mothers in Israel

Dealing with uncertainty in end-of-life care: how healthcare professionals manage discord in palliative care for the elder POMBET THIBAUD When age masks and normalizes gender. A sociological approach of personalised care for adolescents and young adults with cancer in France.	MILENA TROJANOWSKA Disability and government in a philosophical perspective KLAUDIA WOS: The relevance of the applied research method for changes in the perception of people with intellectual disability MARIOLA RACŁAW, EWA GIERMANOWSKA, DOROTA SZAWARSKA: Personal Assistants of Persons with Disabilities – new opportunities leading to new inequalities?	GIUSEPPINA CERSOSIMO, LUCIA LANDOLFI The Ambivalence of Vaccines: Roles of Communication and Social Perception PIA VUOLANTO Healthcare professionals, distrust of expertise and vaccine hesitancy
11:45:13:15 Session 2	11:45-13:15 Session 16	
The social construction of autism	Explaining variation in health inequalities from a	
	comparative institutional perspective: innovative	
M. ARIEL CASCIO Neurodiversity movements in	theoretical approaches and empirical studies	
cultural and historical context		
MAJA DRZAZGA-LECH, RYCHTER, K., IR, M. Autism self-	SIYUAN CHEN The Changing Subjective Well-being	
advocacy movement. Case of Poland	Enhancing Effect from a College Degree in China: A	
VERONICA MORETTI, ALICE SCAVARDA Health got	HAPC Analysis	
graphic! The role of Graphic Medicine in	CONCETTA RUSSO, A. DECATALDO, M. TERRANEO	
understanding autism	Relationship between social ties and precarious	
	employment on mental health. A cross-regional study	
	among italian workers.	
	VLADIMIR JOLIDON, STEPHANE CULLATI, CLAUDINE	
	BURTON-JEANGROS Cancer screening and the primary	
	care system: screening overuse and inequalities in	
	screening uptake	
	VINCENT DE PREZ, PIET BRACKE From cancer	
	screening participation to consumption participation:	
	influence of the neo-liberal market and	
	commodification of health on inequalities in screening	
	uptake	
13:30-15:00 Session 6	13:30-15:00 Session 7	
Undesirable consequences of increasing non-expert	Health inequalities among the elderly: differences in	
agency in the neoliberal health care system	morbidity, autonomy and quality of life	
BARBARA SENA, ENRICO DE LUCA Patient	BEATA TOBIASZ-ADAMCZYK, KATARZYNA ZAWISZA,	
empowerment or "sick role"? How Italian Breast Unit	ALEKSANDER GAŁAŚ, TOMASZ GRODZICKI	

Care Pathway changes patients and healthcare professionals' agency. EMILY ROSS, JULIA KIDD, CHOON KEY CHEKAR, SUE CHOWDHRY, ANNE KERR, SARAH CUNNINGHAM-BURLEY Integrating genomic information into patient decision-making for early breast cancer: Sensemaking, responsibility and choice ELENA BERDYSHEVA, BORIS BELYAVSKIY Unworthy Self: Deficits of Agency in Healthkeeping Practices Among Russians Back to the Institutionalized Discounting of Human Life LUCA MORI, LINDA LOMBI Crowdsourcing in medicine in the neoliberal era	Determinants of neglect and self-neglect in Polish community-dwelling older adults NICOLE BACHMANN, LUCY BAYER-OGLESBY, ANDREA ZUMBRUNN, MARCEL WIDMER, DANIEL ZAHND, CARLOS QUINTO May I go home? Impact of social determinants on admission to a nursing home after hospital discharge of elderly in patients with chronic conditions. ANDREA GOETTLER Informal support of older immigrants in Germany: between self-responsibility and opportunities for healthy ageing NORBERT VAJDA Inequalities in dementia care. Different access to government and community-based resources and its consequences	
15:15-16:45 Joint session 9+14+17 Coercion in psychiatric cure and medical professionals in a changing international context MARTA MAKOWSKA Opinions of Polish medical students on the possibility of introducing a sunshine law in Poland JUSTYNA KLINGEMANN, PIOTR ŚWITAJ Behind the screen of voluntary psychiatric hospital admissions: a qualitative exploration of treatment pressures and informal coercion in experiences of patients in Italy, Poland and the United Kingdom. ASSUMPTA JOVER, ARANTXA GRAU Normality and Pathology in times of COVID-19 ELLENA SPINA, G. VICARELLI Digital revolution on health care. What implication for medical professionalism?		

17:00-19:00 Shortening the social distance - an opportunity for online networking and research collaboration

Friday

9:30-11:30 Session 10

<u>Inequalities and informal care: "the voice" of caregivers of chronic illness patients</u>

ANNA CHOWANIEC-RYLKE Toxic buildup. Performing gender, parental and caregiving roles by mothers of children with metabolic disorders LYDIE BICHET Mothers and fathers's caregivers trajectories

MAGDALENA RADKOWSKA-WALKOWICZ Mothers of girls with Turner Syndrome: from caregivers to managers of knowledge ANA PATRICIA HILARIO Giving 'voice' to parental experiences of caring for a child who suffers from chronic pain

A DECATALDO, PAOLA LIMONGELLI Participatory research: a way to reach hidden carers CÉLINE GABARRO, AGNÈS DUMAS, PAUL JACQUIN, HÉLÈNE MELLERIO, NIZAR MAHLAOUI Transition of care from pediatric to adult services: a second biographical disruption for parents of chronically ill adolescents

9:30-11:30 Session 12

<u>The Medicalization of Human Reproduction in a Global</u> Society: Gender, Inequalities and Social Change

ELLEN ANNANDALE, H. BASTON, S. BEYNON-JONES, A. BRODRICK, J. GREEN, V. LAND1, T. STACEY Making decisions during childbirth: an analysis of real-time interactions between women and midwives RAFAŁ MACIĄG Medicalisation of Abortion in Poland CRISTINA LONARDI The imaginary on intrafamilial surrogacy: some data from an Italian research IMRAN ALTINTOP Women's experience of infertility and treatment process in turkey: socio-cultural aspects

CATARINA DELAUNAY, MÁRIO JDS SANTOS Exploring the co-construction of gendered identities and reproductive technologies: the case of IVF beneficiaries and their embryos in vitro LUÍS GOUVEIA, J.M. RESENDE Between the public and the intimate throughout the involvement in the parental project: (dis)engagements and gender dynamics among map beneficiary couples

9:30-12:00 Session 15

Health and its social meanings

KATERINA IVANOVA, ADELA LEMROVA From beneficence to autonomy. Transformation of society – transformation of ethical dilemmas in medicine DENNIS ROSENBERG Ethnic differences in searching for health information: A test of the extended social diversification hypothesis KADI LUBI, MARILYN KOOR, IRMA NOOL, MARE TUPITS, SILJA METS-OJA, TAISI KÕIV Ignorance,

resistance and irresponsibility? The reasons why women refrain from taking breast cancer screening MAŁGORZATA SYNOWIEC-PIŁAT, ANNA PAŁĘGA, MICHAŁ JĘDRZEJEK Participation in oncological preventive examinations and beliefs regarding the importance of prevention and responsibility for health. Considerations in the context of social inequalities

AGNIESZKA MAJ, MARTA MAKOWSKA "I am monitoring... so I am healthy" Consequences of the dynamic expansion of self-tracking for health JUSTYNA STRUZIK Health, drug use and rights – a case study from Poland

AGNES DUMAS, AGUERRIS, L., GOUSSAULT,B. Meanings of health in a context of increased health risk

MONIKA STRUCK-PEREGOŃCZYK1, IWONA LEONOWICZ-BUKAŁA Filling in the gaps: the role of social media in diabetes management ANNA PROKOP-DORNER, MARCELINA GOTFRYD-BURZYŃSKA Living with a psychiatric diagnosis - media representation of a prospective thinking about mental disorders MONIKA STRUCK-PEREGOŃCZYK1, IWONA Violent Deaths of Infants under 1 Year of Age: Are the Aggressors Male of Female? SIMONA DI MARE, PHILIPPE MASSON, ALESSANDRO PORROVECCHIO, MAURIZIO ESPOSITO The impact of adapted physical activity on elderly's wellbeing: sociological perspectives RAMON LLOPIS-GOIG Prevalence of depression and associated factors in Spain. A sociological analysis from the National Health Survey 2017 GUSTAVO S. MESCH, RITA MANO, DENNIS ROSENBERG Ethnic differences in subjective influence of social media on health: a test of the social diversification hypothesis		
Chronic illnesses and media: resources, opportunities and online representation ALBERTO ARDISSONE Online Health Communities and nealthcare: between 'experiential lay expertise' and docial inequalities MONIKA STRUCK-PEREGOŃCZYK1, IWONA LEONOWICZ-BUKAŁA Filling in the gaps: the role of social media in diabetes management ANNA PROKOP-DORNER, MARCELINA GOTFRYD-BURZYŃSKA Living with a psychiatric diagnosis - media representation of a prospective thinking about mental disorders MONIKA STRUCK-PEREGOŃCZYK1, IWONA LEONOWICZ-BUKAŁA Filling in the gaps: the role of social media in diabetes management ANNA PROKOP-DORNER, MARCELINA GOTFRYD-BURZYŃSKA Living with a psychiatric diagnosis - media representation of a prospective thinking about mental disorders MONIKA STRUCK-PEREGOŃCZYK1, IWONA LEONOWICZ-BUKAŁA Filling in the gaps: the role of social media on health: a test of the social diversification hypothesis
